LIST OF MATERIALS PROVIDED FOR ATL:

Package 2: Rapid Prototyping Tools

S. No	Category	Type	Name	Qt y
1	Rapid Prototyping	Equipment	3D Printer with Software + Educational Activities	1
2	Rapid Prototyping	Consumables	PLA Filament Consumables	5
3	Rapid Prototyping	Consumables	Art and craft material	10
4	Curriculum/activity plans	Equipment		
3	Rapid Prototyping	Software	Strobe Ninza	1

Training:	Training Activity
DAY 1	**Complete Solution Introduction** **Introduction to Robotics with STROBE STEM Education Module.**
DAY 2	**Introduction to Advanced Robotics with STROBE STEM Education Module**
DAY 3	**Introduction to Arduino Electronic Development Board**
DAY 4	**Rapid Prototyping with 3D printer**
DAY 5	**Electronics & IOT**
